

TOA CEILING MOUNT FIRE DOME SPEAKER PC-1867F/(EU)

DESCRIPTION

The PC-1867F Ceiling Mount Speaker features an iron-made dome that prevents the fire from spreading in the ceiling in case of an emergency situation. The speaker can be easily installed using the speaker mounting spring, and the dome can also be easily mounted in the speaker mounting hole in the ceiling panel. The push-in connector permits one-touch cable connection, as well as bridging and branch wiring.
